A Year in the Life

A year in the life of Susquehanna University, 1989. So many memories are made every day that we lose count. Friendships, flirting and fun; awareness, activities and action are all a part of life as a student. Unique qualities brought us together in the beginning, bonds formed, and the final outcome is that we all are prepared for what's known as the "real world".

Sure we are that today and always we are masters of our own fate; that any challenge which is set before us is not above our strength; that its pangs and toils are not beyond our endurance. As long as we have faith in our own cause, and an unconquerable will to prevail, the joys of life will not be denied us.

From orientation to graduation so many events filled our days here at S.U. We worked and played and learned the balance between the two. But as all good things happen, it is true that all good things must come to an end. For the graduating class of 1989 that time has come. Promised phone calls and letters are never enough and time will change many things. As they begin to walk away, they sadly turn and glance back. A last wave, a final smile, and they begin a new life. Even for the returning students it isn't easy. Friendships formed will have to be limited to those calls and letters until the halls of dorms are filled with laughter and greeting the next fall.

To the underclassmen we say see you next year. To the seniors we say that we will miss you and good luck in your new life.

"The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart." — Helen Keller

"To all that is possible,
 We must attempt the impossible,
 To be all we can be,
 We must dream of being more."

DEDICATION TO DR. PRESSER

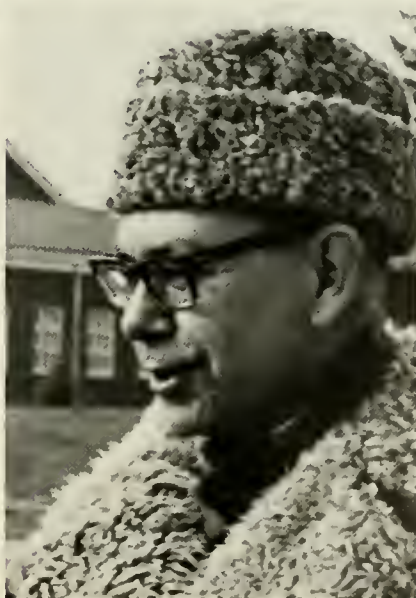

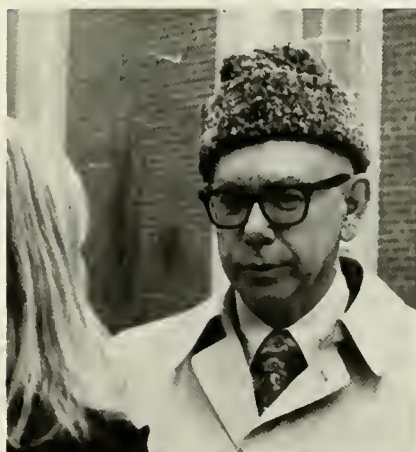

We proudly dedicate the 1989 edition of The Lanthorn to a man who's done such a great job of shaping Susquehanna students for their respective futures. Dr. Presser joined the Susquehanna faculty in 1961 after teaching at Belmont College in Nashville, Tennessee for four years. He's taught a multitude of biology courses here and specializes in comparative anatomy, embryology, and entomology.

Dr. Presser is known in the classroom for his detailed drawings in colorful chalk and his quiet humor. Besides that, students will tell you of his excellence, organization, and clarity. As a matter of fact, his class prompted one former student to write, "I remember struggling to keep up with your lectures because everything you said was important."

In addition to the classroom, many students also know of Dr. Presser through his gregarious wife, Sachiko, who supervises general services at Susquehanna. Together, they have touched the lives of so many Susquehanna students and have been loyal supporters of our international programs. Many of our international students students have probably found themselves dining at the Presser's home at one time or another, admiring much of the remodeling Bruce has done.

We thank you, Dr. Presser, for your caring and love of teaching. Best of luck to you in the future!

A year in the life of the Faculty and Staff:

Is anybody listening? It's tough to put up with a classroom filled with empty seats and yawning faces, but believe it or not you are appreciated. After all, you cannot teach a student anything — only help them bring it out from within.

PARENT'S WEEKEND

They come to see how you live, who your friends are, how you survive and just what it is you do here at this place you call "home". They wander about, smiling and feeling the warmth of our SU family. They stand at the football field and honor sports greats such as Almonzo Stagg, hoping SU will provide you as much. They write the letters, send the packages and pay the bills. Thank you and we love you, MOM & DAD!

HOMECOMING

The pom-poms waving, the band playing, and the alumni happily returning to a campus once theirs. Hall of Fame recipients proudly displaying their awards and a day of great pride by all. Susquehanna University — a school you can always come home to.

BANDS AT S.U.

The beat grabs you as you sing along "When you find your love this time . . ." and wonder just how far they'll make it in the professional world. Will they be headlining at clubs around the U.S.A.? Will they open for concerts? Or will they become as famous as they were on campus? . . . Bands like Alterior Motives, Anthem, and the Broken, Borrowed, and Blues Band rocked the campus this year. Their talent made it fun at parties and we loved to hear them jam. Good luck in the big time!!

INTRAMURAL SPORTS

From football to soccer to powderpuff to lacrosse we had it all this year for intramural sports. Fans stood on the sidelines rooting for their friends and helping them win with their support. Who knows what will be next. New teams will come up and we'll be there to support them.

SPRING BREAK

Aruba, Jamaica, ooooh I wanna take you to Bermuda, Bahama, come on pretty mama . . . S.U. students flew or drove off all over the world this year to enjoy a great spring break. Florida (Daytona, Naples, Ft. Lauderdale), Cancun, Bahamas, and St. Croix were just a few places they rocked until the break of dawn.

MEN'S BASKETBALL TEAM TAKES MAC-NORTH CROWN

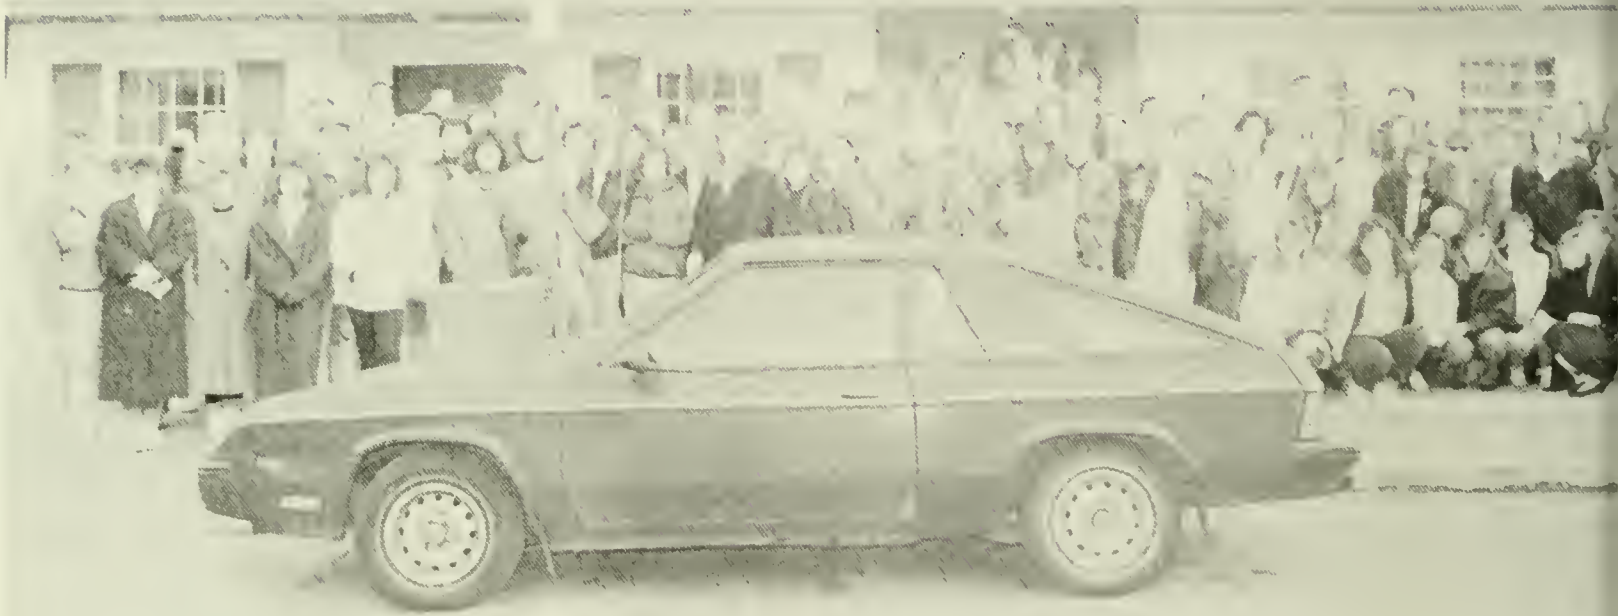

The Susquehanna campus rocked to the sounds of thunderous cheers as the Crusader men's basketball team hosted the first men's hoop playoff games in school history on February 23 and 25. As it turned out, the Orange and Maroon student body helped the team to its second MAC-Northern Division title in four years.

In order to advance to the title contest, head coach Don Harnum's troops first had to get by the Monarchs of King's College in the semifinals. SU started cold and trailed by ten at the half, 32-22. But sophomore point guard Will Ciecierski electrified the SU faithful with 14 second half points as the Crusaders stormed back for the 67-64 win. Senior Jim Dimond blocked King's attempt to tie with four seconds left.

The win advanced the Orange and Maroon to the title against defending champion Scranton before 1,079 screaming fans, believed to be the largest crowd ever at an SU men's basketball game. The script was similar, as cold shooting allowed the visitors to take a 41-34 lead into the dressing room, only to have Ciecierski lead the Crusaders back. The sleek-shooting guard scored 20 of his career-high 29 points in the second half, including 4 for 4 from three-point range, as SU took the game and the title 78-71.

DOWNTOWNERS!!

There comes a time when we all want to be on our own. College, they say, is that time. Some students chose to make that move even sooner and they went DOWNTOWN. From Orange St. to High St. to Water St. to Liberty Alley they moved in with one or more friends and had the time of their lives, on their own.

..AT WORK AND AT PLAY

This year students showed everyone that they knew how to work and how to have a good time. When the work is done, even though it never seems to get done, there is a definite time to play.

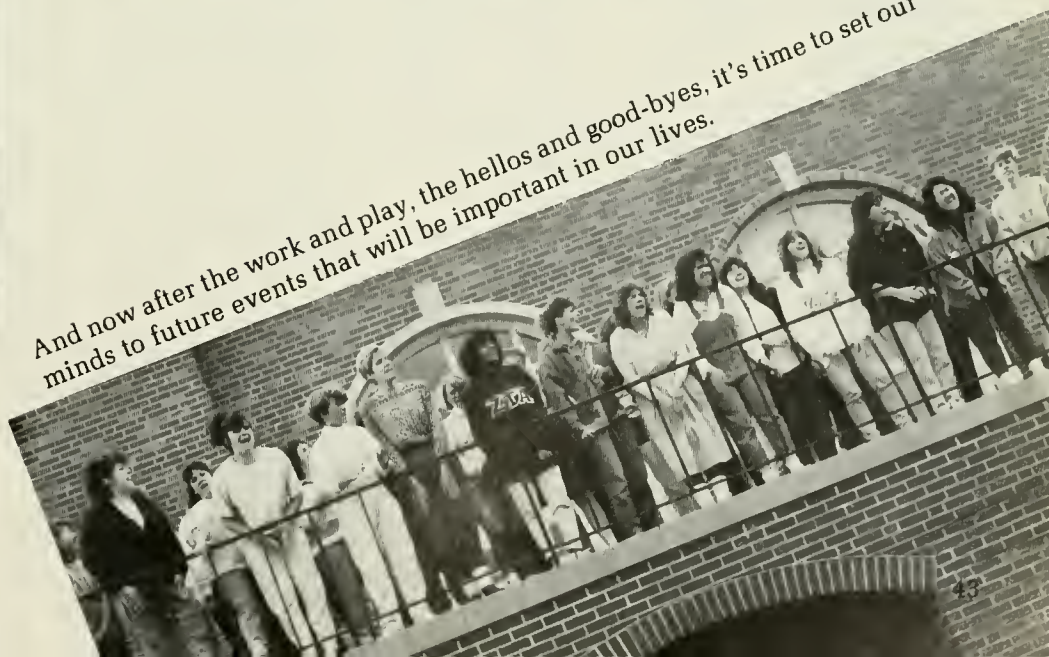

... HELLO AND GOOD- BYE

When the work and the play was through, the students also learned how to say good-bye. From friends to peers to professors they all went through the process of getting to know one another. Friendships and relationships formed that will last a lifetime.

And now after the work and play, the hellos and good-byes, it's time to set our minds to future events that will be important in our lives.

The musical this year delighted audiences with the story of a young woman who learns about life the hard way. "Belly up to the bar boys," chanted Molly Brown, the woman who was an inspiration to princes and paupers and to her audience in Weber Chapel Auditorium this past fall.

THE UNSINKABLE MOLLY BROWN

ANTIGONE

The tragic story of a woman whose choices have forced her to be sentenced to death. Antigone, a woman with few friends nearby, deals with Creon, her nurse, and others who see her before her ultimate death.

THE

PROJECTS

Adopt-a-Grandparent The members of this project have adopted a Grandmother or Grandfather that they visit once a week. Reading to them, taking them for walks or just sitting and talking to them are some of the activities they participate in. The members also help the advisor to set up parties for the residents at Penn Lutheran Village. Their ultimate goal is to help the residents feel more at home in their surroundings.

Arboretum This project works toward beautifying the campus through maintenance of the fern garden and greenhouse. The members also attempt to encourage appreciation of SU's scenery by use of tree markers and plant sales.

Arts Alive The purpose of this group is to promote the arts on campus and in the community. Some of the activities of the project include hanging posters to advertise artistic events at SU, sponsoring Student art shows, ushering at Artist Series and university productions, and conducting acting workshops in area elementary schools.

Big Brothers These men work with underprivileged children in Selinsgrove and surrounding areas by acting as companions to young boys both on an individual a group level.

Big Sister/Little Sister These women serve to offer companionship and guidance to young girls within the surrounding community.

Career Crusaders is a group of students working with the Career Development Office to help students with career decisions and with perfecting means by which to obtain their goals in the real world (resume writing, interviewing, etc.).

C.A.U.S.E. Careful Alcohol Use Saves Everyone is a project on campus whose purpose is to make students aware that responsible drinking must be done in moderation. The group is small but hoping to vastly expand including members who represent major peer groups on campus to help spread their information.

Computer Consultants' goal is to increase awareness of computers and their usefulness by: the installation and maintenance of microcomputers; providing a tutoring service for those using PC's and the HP/3000; preparing brief documents on software they evaluate; and creating a users group for members of the Selinsgrove area.

F.O.R.C.E. assists incoming freshmen in the orientation of academe program. Its members also tutor and give guidance for those in need and are chosen each spring for the new year.

Penn Lutheran Village project members work in conjunction with the activities coordinator at Penn Lutheran Village Home. Their purpose is to initiate and develop relationships with the older residents.

Senior Friends is centered at the Selinsgrove Senior Citizens Center. Members put on skits for the seniors, run sing-alongs, give theme parties, decorate for the holidays, play games, serve dinners, help in the kitchen, help sew quilts, and visit with the seniors at the center.

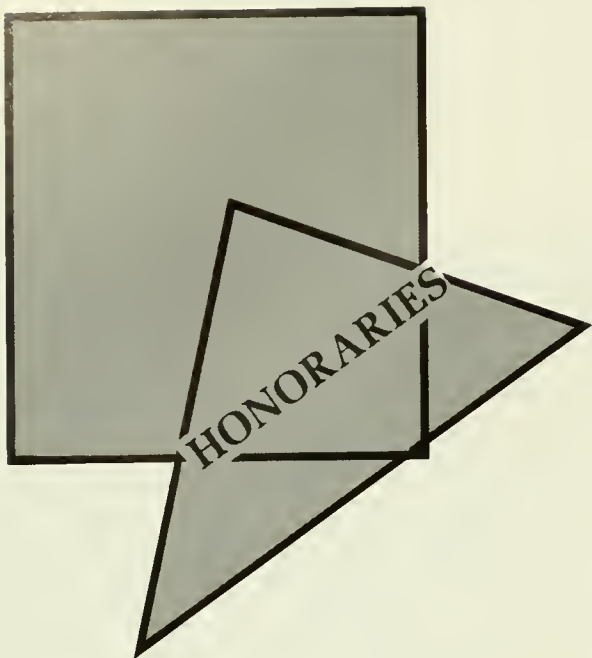

S.H.O.E. These students helping our elderly, in addition to working at the senior citizen's center, also do small chores such as rake leaves, shovel snow, and wash windows.

Student Conservation Committee members promote an awareness and concern for energy conservation in the campus community. They also inform, educate, and create a community desire to conserve energy and hope to cut energy costs for SU.

Alpha Epsilon Rho is an honorary organization designed to further the knowledge and opportunities of outstanding communications students in the field of broadcasting. The organization sponsors various visits by prominent individuals in the broadcasting field. They also hold fund raising events and send representatives to the National Convention. To be eligible for membership, students must achieve a "B" or better in two or more broadcast related courses.

Alpha Lambda Delta is the National Honor Society for freshman students who achieve a 3.5 GPA for higher during their first year. The society's purpose is to encourage superior scholastic achievement among students of higher learning. ALD awards an outstanding senior each year, sponsors an essay contest for club members, and also a fundraiser to maintain chapter activities.

Beta Beta Beta is a National honorary society in biology for undergraduate students. The society seeks to stimulate student scholarship and dissemination of scientific knowledge and promotion of biological research.

Delta Mu Delta is the National Honorary society for those students excelling in the field of business administration. Requirements for membership include completion of a minimum of 50% of the academic program, a cumulative GPA of at least 3.25, and ranking in the top 20% of their class.

Kappa Mu Epsilon is the National honorary mathematics fraternity. Its purpose is to give recognition to all undergraduate students who have achieved honors standing in mathematics and to stimulate interest in all branches of mathematics. Membership requirements are the completion of three or more mathematics courses with an overall average of 3.0 and a rank in the upper 35% of the class.

Candid

Phi Mu Alpha Sinfonia is a National professional fraternity of music open to any male student or professor who supports, performs, or studies music.

Phi Sigma Iota is an international honor society for foreign languages. This includes the Spanish, French, German and Japanese languages. The chapter was first installed at Susquehanna in May of 1987.

Pi Delta Phi is a National honorary French society organized for the purpose of fostering high scholarship in the study of the French language and interests in French arts and culture.

Candid

Pi Sigma Alpha is a National honorary society in political science. Membership is granted to junior and senior political science majors with a GPA of 3.25. The Susquehanna chapter was founded in 1977.

Psi Chi, the National honor society in psychology, was founded for the purpose of encouraging, stimulating, and maintaining scholarship in psychology. Requirements for membership include a minimum of three courses in psychology beyond the introductory level, with at least a 3.0 average and a rank in the upper 35% of the class.

Student Association for Cultural Awareness is a cultural advocacy organization whose purpose is two-fold. SACA acts as a cultural haven where minority and other interested students may share and cultivate differences. Second, it promotes cultural awareness throughout the SU community.

Sigma Pi Sigma is the national honor society for physics students and the society's motto is "investigation, the forerunner of knowledge". To be elected, a student must have completed five courses in physics, have a 3.0 physics GPA, have a 3.0 overall GPA, and rank in the top 1/3 of his or her class. The Susquehanna chapter was chartered in 1988 and promotes a greater involvement and understanding of physics among the students and within the community.

Sigma Tau Delta is an international honor society recognizing students who excel in literature and language studies. They support literary and cultural activities on campus including visiting writers.

Accounting Club Their primary purpose is to generate awareness about the field of accounting. Through lectures and trips, members learn accounting from the outside world. Professionals in the business world provide insight on accounting and share their experiences in the work place. It provides an excellent opportunity for students to find out that accounting is more than just debits and credits. The club is open to all majors. Our major event this year is a trip to Washington in April.

American Society for Personnel Administration provides students interested in the field of human resource management with the opportunity to gain membership in a professional organization. They do this by hosting visits to corporate human resource departments and having presentations by human resource professionals.

Aerobics Instructors provide exercise for the students population who wish to improve their athletic abilities and cardiovascular health. Every evening you can find a group of students following the instruction of these leaders.

Association for Computing Machinery is a National organization whose purpose is to promote interest in computer science by discussing current topics and software.

Biology Club promotes an interest in biology through the appreciation of nature and development of professional pride to establish beneficial relationships among individuals and various sciences. This group also takes numerous field trips to experience other aspects of biology outside the campus.

Catholic Campus Ministry is a student-run organization that strives to integrate Christian faith and values into daily life. Activities and programs are open to all students, faculty, administration and others involved in the campus community.

Chamber Singers This university group is a select number whose repertoire centers around unaccompanied secular Renaissance and contemporary choral works.

Chapel Choir

Chapel Council is comprised of people who want to be a part of a Judeo-Christian Community, develop an awareness of themselves and the world around them, serve others through community service projects and or assist in campus worship experiences. Regular activities include retreats, urban study trips, CROP walks, discussion and lectures and weekly visits to nursing homes. All activities are open to the entire campus community.

Chemistry Club is an organization for science and non-science students interested in chemistry and related topics. Activities of the club consist of field trips to chemical plants and manufacturing companies, hosting of ACS lectures held on campus, recreational activities and an annual awards banquet.

Conditioning Club The members of this group work on bettering their physical well-being through weight-lifting and other activities. The club also helps to maintain the weight room equipment and insure a safe atmosphere in the room.

Crew Club is open to all students interested in the sport and promotes crewing, physical fitness, and the spirit of competition and sportsmanship. This year the club christened a new boat and had a number of trips to different regattas on the East coast.

Crusader The paper's goal is to inform, educate, and entertain the Susquehanna University community. A totally student-run organization, it provides an open forum for student's views.

Cycling Club was established for all students with an interest in various types of cycling. Activities include group rides and discussions of riding techniques.

Economics Club This club open to all majors holds biweekly discussions on such topics as poverty, taxes, trade, and the budget deficit. The club also sponsors speakers and has initiated an economic-growth forecasting project and travelled to Washington D.C. to see the World Bank and the Federal Reserve Bank.

English Club This club provotes interest in literature through visiting writhers and speakers. The club also sponsors trips to various plays.

Focus is the student literary Magazine published each spring at Susquehanna. It encourages students and faculty to submit poems, short stories, artwork, and photography, and offers monetary prizes to those works of high quality.

French Club is open to all students of French, and is organized to promote French culture through meetings and films.

Geology Club consists of students and faculty interested in the geological sciences. It seeks to foster a professional spirit among its members and to promote professional development in the science of geology.

German Club is an organization which allows students with a background in the German language to enjoy the German culture. The club joins together with the community to learn about the German culture and experience it first hand. It enjoys the company of the German students from Universitat Konstanz and throughout Germany. These students help in practicing the language skills and also teach what German community life is all about.

Global Concerns Club is a student-faculty group devoted to the introduction, discussion, and understanding of current national and international problems facing the world community. Weekly meetings, faculty and outside speakers, and off-campus activities are included.

Ice Hockey Club Its purpose is to further the university's interests in the sport of ice hockey for both participants and fans. Any student can join the club to learn the fundamentals of ice hockey and enjoy playing the world's fastest sport. The main activity involves participation in a highly competitive league which is comprised of eight teams. Also, field trips are scheduled to compete against other colleges.

Indoor Soccer

International Club Their main aim is to foster the cultural exchange between foreign students and the American people. The club brings together people from different ethnic backgrounds to share cultural experiences and grow together as a diverse but harmonious group.

International House This house serves as the home for many foreign students, as well as American students who are genuinely interested in international culture. The close quarters of the house fosters many close and lasting friendships that transcend the language barrier.

Jazz Ensemble is open to any swinging Susquehanna student with an interest in playing jazz music. The ensemble performs twice a year on campus.

John App Honor Society This society recognizes and encourages superior scholastic achievement and to foster intellectual activities on campus. Membership is granted to juniors or seniors with a cumulative GPA of 3.75.

Lanthorn This years staff worked hard to put together a yearbook that would best represent your memories here on the Susquehanna University campus. Developing in the darkroom, picking those photos, and writing copy were just a few of the highlights. This year was also the beginning of our Fall book enabling you to see more action photos in the spring including sports and activities. Taylor Publishing Company was a great help to us throughout the year and we would like to give Ed Patrick our thanks for being such a wonderful representative. Another individual that deserves recognition is Mike Ferlazzo, our advisor. Thanks to both of you for being there all year!!

Special thanks also goes out to all of you who submitted some of the wonderful candids for the book this year. Thanks!!!!

Marketing Club The purpose of this club is to develop sound thinking in marketing theory and exact knowledge of business principles. Through an exploration of seven major fields of marketing, the club members seek to learn about their potential careers. Activities include seminars, lectures, and field trips.

Operations Management Club studies the management operations aspects of production through various field trips and information sessions.

Order of Omega is a National honorary society for outstanding Greek leaders on campus who have contributed significantly to their particular fraternity or sorority and to the university overall. The Order of Omega stands for the high ideal of unity among all Greek members.

Outing Club The main purpose of the Outing Club is to promote an appreciation for all outdoor activities and a concern for the environment. Activities include weekend camping, backpacking, cross-country skiing, and whitewater rafting trips throughout the year.

Playing by Ear is a new singing group formed in 1988 which specializes in the performance of popular show and jazz music. Entrance into the group requires no audition and all majors are invited to participate. The group is under the direction of Kathy Bartol-Hoover.

Presidential Fellows are a select group of sophomores and juniors representing various majors whose work is on honor caliber. The fellows meet several times a year with President Cunningham to discuss literature of current interest and take a cultural trip in the spring.

PSEA-NEA acquaints the prospective teacher with the aims, responsibilities and benefits of a career in teaching.

Republican Club worked hard for the election, had nearly 100% success rate and, with the exception of one, all of its local and state candidates won. The top-per was seeing George Bush win 44 states and the presidency and the club took a trip to Washington D.C. to see his inauguration. Other projects included SDI, Ollie North, and the sponsorship of several speakers.

Rugby Club is open to all students and faculty interested in promoting the sport of rugby. The club plays a fall and spring schedule against colleges and men's rugby clubs.

Scuba Diving Club

Ski Club promotes the sport of skiing for the benefit of health and recreation. The club sponsors trips to local and New England resorts.

Society of Physics Students organized to extend students knowledge of physics to topics which are not specifically discussed in class.

Sociology Club is an organization for sociology students. Guest lecturers, human service events, and discussion groups provide opportunity for students to interact and share experiences. Socialization is encouraged through many informal events such as an ice cream social, Christmas party, End of the Year pizza party and Senior Lunch.

Stadium Marching Band played for all four home football games, as well as for the Homecoming and Halloween parades, for the alumni on Homecoming and for the parents on Parent's weekend. Their music was enjoyed by everyone.

Student Activities Committee is the largest student run organization at Susquehanna. It offers a wide variety of activities throughout the school year. SAC's five active committees sponsor not only weekly activities such as movies and coffeehouses, but annual events such as Spring Weekend, Spotlight, and the Bahama's Party in which the entire student body can participate. Membership is open throughout the year for all those who are interested in becoming involved. This year's big concert was Robert Palmer for which a lot of students were security.

Student Government Association is comprised of officers elected by the student body and senators who are elected from each class and dorm. The SGA is responsible for allocating the student activities fee to various student groups, campus projects, student clubs and other university activities. The main goal is to establish better means of communication among students, faculty, and the administration.

Tour Guides play an extremely important role in the admissions process. A tour guide gives prospective students an example of the "typical" Susquehanna student and the student life, both academic and social. Other aspects of the university are discussed with the students and their families during a campus tour.

Head Tour Guide This year's head tour guide was Sue Paul.

University Choir is a fantastic performing group which is open to all students on campus by audition. University Choir is a performing organization and it is a training laboratory where future music educators learn extensive choral literature and techniques of developing choral singing. Many people on campus appreciate music and should attend their wonderful concerts.

Women's Choir has members from every class who represent a wide variety of majors. The choir tours in the spring and sings for several on-campus activities including university worship services on a monthly basis.

Women's Lacrosse Club gives women the opportunity to participate in the game of lacrosse and to learn the basic skills, principles, and rules of the game. They are well on their way to earning Varsity status at Susquehanna.

Woodrow Wilson Fellows Committee plans yearly visitation for Woodrow Wilson Fellows. This includes setting up several talks with students both in and out of class. Public lectures and radio interviews feature the visiting fellows and open them to the campus and community.

Boy Scout Community Service hope to further the ideals of the Boy Scouts of America through leadership and guidance by helping the local troops in meetings, activities and outdoor adventures.

Charlies Pub Managers supervise the staff at the all new Pub downstairs at the campus center.

Charlies Pub Staff create a pub-like atmosphere for patrons by creating different fruity drinks and providing dance music for all.

Crusader Castle Managers run everything found in a small business, from hiring and ordering the food to making sandwiches and cleaning up. The General Manager and Asst. General Manager have the option to use their positions as an internship. There are six paying manager positions, General, Asst., Inventory, Personnel, Accounting and Marketing.

Crusader Castle Staff work 2-3 hour shifts daily serving students, faculty and staff, and visitors a variety of menu items.

Fellowship of Christian Athletes

Head Residents are a group of students who work together with the RA's to coordinate programs and activities to enhance dorm life.

Interfraternity Council is made up of delegates from all of the social Fraternities. IFC strives to further the total experience of college life for men. It also works to promote Greek unity and activities by sponsoring an annual Oktoberfest and Greek Week each spring.

Koinonia

Orientation Team assists the freshmen in making a major adjustment in the beginning of their college careers. The O-Team welcomes the freshmen and helps them start to adjust to their new surroundings at Susquehanna by making them feel at home.

Panhellenic Council's ultimate goal is to unite the Greeks on our campus. The specific goal is to unite the Sororities. We work as a group for several purposes. One is to promote Greek activities, such as Dad's Day and Greek Week. Our other main purpose is the promotion of philanthropic relations. We work with the college administration in furthering the total experience of college life for women. It stresses friendship, service and high scholarship.

Phi Alpha Theta

Pi Gamma Mu is an international honor society in social science. Its purpose is to improve scholarship in the social sciences and to achieve a perspective that is a synthesis of them. The privilege of membership is granted to those who have shown unusual interest and aptitude in the study of such sciences.

Psychology Club discusses psychological topics. Movies and trips are sponsored and advice is offered to underclassmen.

Residents Assistants are an integral part of the campus community. They are assigned to each hall to enforce rules and provide a better atmosphere for dorm living. The "open door policy" they have helps students at any time to answer questions or to just be a friend.

Salt Shakers Fellowship

Selinsgrove Center Project strives to build relationships between members of the project and some of the residents at the Selinsgrove Center. The project encourages the residents to participate and test their abilities in a number of various activities.

Sigma Alpha Iota is an international professional fraternity for women in the field of music. Although members of SU's Sigma Omega Chapter are not necessarily music majors all share a love of music and the desire to uphold the highest standards of musical performance and education.

Society of Fine Arts

Spanish Club provides students with the opportunity to become more aware of the Spanish-speaking world. The club invites native Spanish speakers to discuss their culture and their life styles. The club sponsors Spanish movies, organizes gatherings to sing and celebrate during special holidays and offers trips to enable students to understand Spanish-speaking communities in nearby urban areas.

Student Judiciary Board provides the option of judgement by peers for major violations of university rules and regulations.

Student Pennsylvania Education Association

Sun Council and officers is a senate of the projects on campus. It meets weekly to provide a forum where members of the Project System can exchange ideas and information and coordinate large volunteer events. Advisor Deb Woods guides the large group by holding regular meetings with its officers and helping projects individually.

SOCCER

The 1988 soccer campaign was a step in the right direction for the SU program, despite a final record of 6-11. The team fielded a large number of underclassmen and only three seniors will be missing next year in goalie Rob Ancipink, midfielder Chris Boehm and forward Bill Mueller. Mueller set the school record for career goals during the season and finished with 28.

FIELD HOCKEY

Despite fielding 16 first-year players, the 1988 field hockey squad nearly pulled out a .500 record, finishing with two-straight wins for a 5-7-1 final slate. Although the team scored just 17 goals for head coach Connie Harnum, 10 were scored by freshman to give the squad a bright future.

FOOTBALL

After consecutive MAC championship teams, the 1988 squad made a game defense of its title in a 6-4 year, despite fielding a much younger team. Even with the youth, Rees summed up the season by saying his greatest sorrow was "the loss of our 12 seniors."

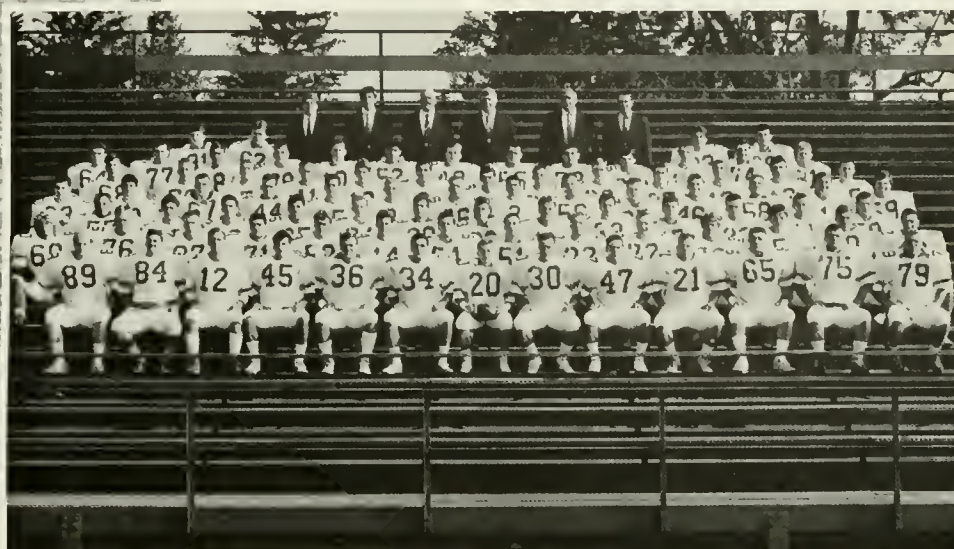

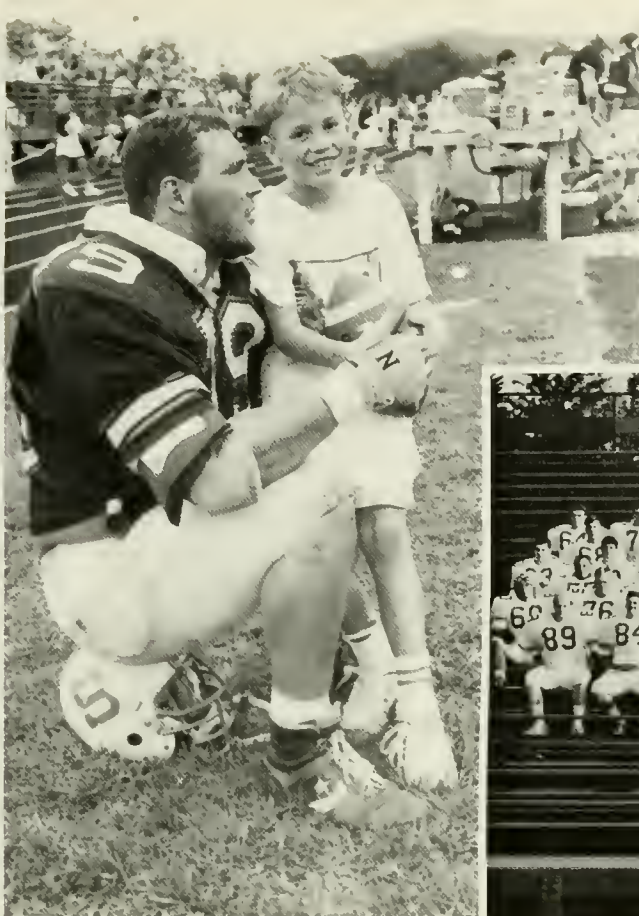

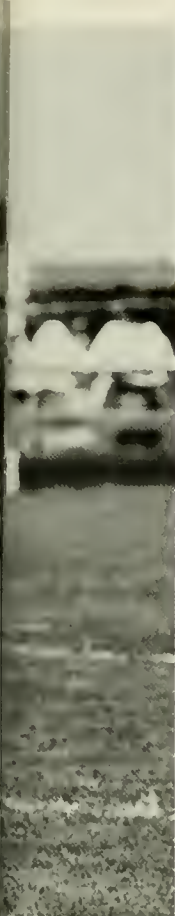

Senior co-captain and halfback Joe Witt earned All-American honors and the team's Most Valuable Player award by his teammates. Witt set six school records over the course of the season, including 216-receiving yards and three touchdowns in a driving rainstorm during a 23-0 whitewashing of arch-rival Lycoming.

Inside linebacker Trevor Henry, the other senior co-captain, led the team in tackles with 140 and also earned All-American honors and the team's Best Defensive Player. Senior fullback Cosmo Iacavazzi ended his career by leading the Crusader ground attack with 720 yards and was the Best Offensive Player.

Other seniors included cornerback Kent Bergey, running back Mark DeLawter, split end Dave Hamilton, All-American offensive tackle John Hopkins, defensive tackle Dave Huff, outside linebacker Kenny Jones, tight end/punter Kyle McKay, defensive back Bill Purnell, and inside linebacker Rich Roth. Together, they helped SU to a 28-14 record, two MAC titles and a trip to the NCAA playoffs.

CHEER-LEADERS

Where there were sports on the SU campus, there were fall and winter cheerleaders to lead the Crusader spirit. Under advisors Patty Rees and Bruce Marion, they continue to grow in numbers and quality.

CROSS COUNTRY

Cross Country Quick Fact — Crusader head coach Stan Seiple retired after ten years with a record of 100-23-1. He guided the 1984 squad to an MAC title.

Although the 1988 team finished at just 4-3, the four victories were enough to give tenth-year head coach Stan Seiple his 100th-career victory upon his retirement at the end of the season. Senior Ed Fallon was the squads top runner, placing in the top five at many of the events throughout the course of the year. Despite being injured or sick for most of the season, junior captain Marty Martynuska did finish first vs. Delaware Valley and should be the foundation for new head coach Bob Remaley next season.

VOLLEYBALL

"We had an up and down season, but I was pleased with the winning record." — Head Coach Carole Templon

With rookie head coach Carole Templon at the helm, the 1988 women's volleyball squad spiked its way to a 17-14 record and nearly qualified for the Middle Atlantic Conference Playoffs. For the third consecutive year, junior captain Jennifer Davis was the squad's Most Valuable Player and also made the MAC-Northwest All Stars. Only two seniors, Tracy Gillin and Barb Weigle, graduate from the team. Gillin was the squad's Best Defensive Player and also was selected a District 2 Academic All-American as well as to the MAC All-Academic Fall team.

The injury bug and small numbers once again plagued the Crusader wrestling team for 23rd-year head coach Charlie Kunes as it finished at 4-11. Junior 190-pounder Rick Moskowitz was a bright spot as he took fifth-place at the MAC Championships and finished 12-10 for the season. Captain Joe Lawrence (167) and Karl Spector (126) were the squad's lone seniors.

WOMEN'S BASKETBALL

Second-year head coach Mark Hribar looked for improvement from his squad, and that's just what he got as the Lady Crusaders finished with a winning record of 11-10 after a 10-13 season in 87-88. Senior center Lisa Daecher played a big part in the resurgence as she led the squad in rebounding, finishing fifth on the school's all-time list, and was second in scoring. Fellow-senior center Nancy Stepsus also got hot in the squad's stretch-run. Sophomore guard Laurie Pankuck gives the squad a bright future after leading it in scoring (16.8), while finishing as Most Valuable Player in the squad's upset of nationally-ranked F & M in winning the F & M Holiday Tournament.

MEN'S BASKETBALL

It was a dream season for the 1988-89 men's basketball team as head coach Don Harnum returned from a one-year sabbatical and promptly guided the squad to an 18-10 record that included an MAC-Northern Division crown and a trip to the NCAA Division III tournament. Seniors were a key part of the team's triumphs as squad Most Valuable Player and guard J.R. Thatcher went over the 1,000-point mark and led the team in scoring, while forward Jim Dimond was the team's top-rebounder and Best Defensive Player. Sophomore guard Will Ciecierski sizzled in the playoffs and earned MAC-North MVP honors, giving the squad hopes of repeating next season.

MEN'S & WOMEN'S SWIMMING

Head Coach Ged Schweikert has seen his women's swimming program come a long way in its short history, and his 1989 squad was the pinnacle thus far.

The Lady Crusaders finished their campaign at 10-3, setting the school record for wins in a season, while arning their best placement ever at the MAC championships with a sixth. Along the way, senior freestyler and co-captain Becky Etzold had her best season ever both individually, and as a member of the squad's record-setting relays. Schweikert's young lions also contributed heavily to the success with freshmen Paige Malin and Tracy Tinsley both placing individually at MAC's and heading a talented-freshmen class.

On the men's side, the final 4-7 record may not have been what the squad had in mind, but Schweikert couldn't have been more pleased with the hard work that was inhibited by small numbers. A trio of juniors led the effort in back-stroker Chris Milstead and freestylers Mark Rank and Andy Sung.

Fifth: Janeen Miller, Todd Latyak, Tracy Tinsley, Tom Olsen, Janine Flora, Jon Grove, Jennifer Duffy, Mike Hulsman, Kristin Beccaria, Stephanie Grant.

GOLF

SU Golf Facts: the 39-7-1 record and fifth place finish was the best in school history.

(L to R): Mark Aimone,
Head Coach Greg Felty

Head golf coach Greg Felty guided his 1989 squad to a 39-7-1 mark, which served as not only the best record in school history, but also the best by any SU sports team in '89. Senior Mark Aimone led the team for most of the season, before giving way to freshman Rob Rohrbach, who earned the squad's low average title of 80.5.

BASEBALL

"I'm real pleased with the season. We won 18 games, which is the second-most in school history, and did it with a very young team." — Doug Kovash, Head Coach

Despite having only three seniors and a rookie-head coach, the 1989 Crusader baseball team managed to piece together a fine 18-14 season for the second-most victories in school history. Senior catcher Dan Barker closed out an outstanding career, which found him among the all-time leading SU hitters, by being the top vote-getter on the MAC-North All Stars, as well as one of only two MAC players selected for the All-Regional team. Starting outfielder Bill Mueller and third baseman Mike Haubner also closed out fine careers. The loss of the three seniors was eased by the development of a young starting lineup. That youth included the squad's leading hitter in shortstop Kevin Erminio, who batted .412, as well as its leading pitcher in freshman sidewinder Ken Jonach, who finished at 4-0 with a 2.18 ERA.

Although its final record of 10-9 may not have met the team's own expectations, the 1989 Lady Crusader softball team, under rookie-head coach Carole Templon, might be remembered as one of the most talented in school history. Led by senior captains Tracy Gillin and Meg Sorber, the Orange and Maroon proved their talent with several new school records and post-season honors. Sorber finished her fine career by hitting an even .500 on her way to earning a spot on the MAC-Northwest All-Stars, while setting almost all of the school's career hitting marks. Gillin, meanwhile, made her marks in the classroom as well as on the field as her 3.68 GPA in Communications/Theatre Arts and .320 batting average were good enough for a spot on the Academic All-America team. Also named to the MAC-NW All-Stars was freshman outfielder Tara Encarnacion, who set new school records for hits in a season with an SU season-high batting average of .576.

SOFTBALL

WOMEN'S TENNIS

"Considering our youth, I was pleased with our season. We had two freshman in the starting line-up and will return five of those six players next year. Unfortunately, we'll lose Dianne Smith, who had three of the best seasons ever before this season." — Head Coach Connie Harnum

Although the 1989 women's tennis team did not win its second-consecutive MAC-North title, it may have taken a step closer to contending next season with its 7-4 season. The team started a pair of freshmen and will return five starters for next season, including freshman AnnMarie Innamorati, who won the squad's Most Valuable Player award because of her performance at sixth-singles. Senior captain Dianne Smith, who was the top-seed in '89, won MVP honors twice during her illustrious career.

Front (L to R): AnnMarie Innamorati, Jennifer Miller, Jill Sameth. Middle: Karin Griffith, Erin Higgins, Chris Formosa, Sarah Andres. Back: Head Coach Connie Harnum, Dianne Smith.

MEN'S TENNIS

"This team was one-point away from being possibly the best squad in school history."

— Head Coach Gary Fincke

Although head coach Gary Fincke has had many good teams in his SU career, the 1989 squad will go down as one of his finest in its 11-3 regular season mark, which tied for the most wins in Fincke's career. The team came within one-point of winning the MAC-Northwest Section title for the third time in the seniors four years. Senior-captain and top-seed Chris Biddle ended his SU career by capturing the team's Most Valuable Player honor for the second-consecutive year, while fellow — senior Dave Cooley had another solid-season at number six.

Front (L to R): Andrew Cox, Pete Comber, Neil Kromash, Dave Cooley, Scott Witman. Back: Head Coach Gary Fincke, Abe Martin, Chris Biddle (capt.), Fred DiChiara, Graham D'Alvia.

WOMEN'S TRACK

The numbers game has played havoc on the Susquehanna women's track program and once again in 1989, the women of head coach Tom Moore were short on numbers on the roster and in the final score. Although the squad didn't win any of its seven meets, the future looks promising with the likes of sophomore Dena Freimanis, who placed third in the high jump at the MAC Championships.

Front (L to R): Asst. Coach Jim Taylor, Janice Gessner (capt.), Heather Sheriff, Megan McCutcheon, Krista Peterson. Middle: Dena Freimanis, Teresa Richards, Margie Bentz, Jackie Hanson. Back: Martina Androschick, Sandy Turner, Julia Hollander, Terri Demott.

MEN'S TRACK

Under the direction of 11th-year head coach Jim Taylor, the Crusader men's track team proved there was life after four-time national champion Mike Spangler. The team completed its tenth-straight undefeated season in 1989 with a 6-0 final mark and stretched its remarkable winning streak to 70-consecutive meets, while completing an undefeated decade in the 80's. The squad also made a game defense of its MAC title before finishing fourth.

Leading the effort at MAC's was junior high-jumper Lance Kern, who cleared 6' 81/4" in winning the event with a new meet record. The team also got solid performances from its seniors as Chris Boehm and Pete Gehl both placed in the hurdles, while Scott McWilliams took sixth in the long jump and Bill Purnell just missed placement in the javelin. A co-captain, McWilliams effort all season long earned him team Most Valuable Performer. Junior sprinter Tom DiSante also placed in the 400-meter dash at MAC's and helped the relays in earning the squad's Best Runner award. He joins with Kern, junior fieldman Cris Delbaugh, who placed second in the shot put, and sophomore hurdler/triple jumper Cory Mabry, who placed second in the 110-meter high hurdles, as the performers who will try and preserve the undefeated string in the future.

"What this team lacked in talent, it made up for in heart. I'm as proud of this team as any other because they gave their best and may have achieved more than most thought they would." — Head Coach Jim Taylor

Senior year, the fated time before the "real world". Many will look back over their four years and wonder how it went by so quickly. Many will remember the smiling faces of friends but still go on to lead new lives, taking with them this final year. Senior year.

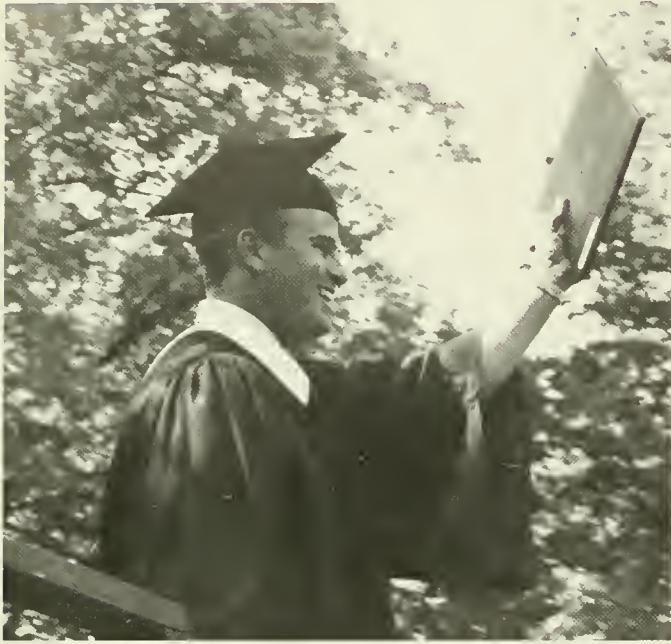

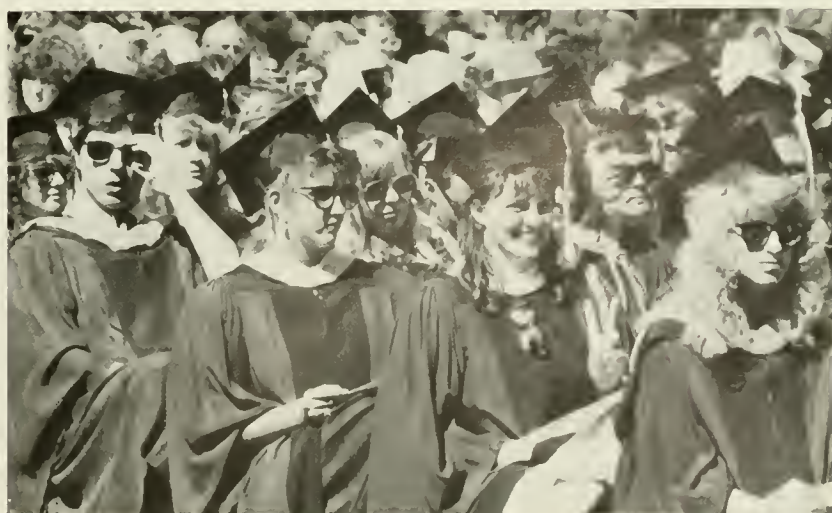

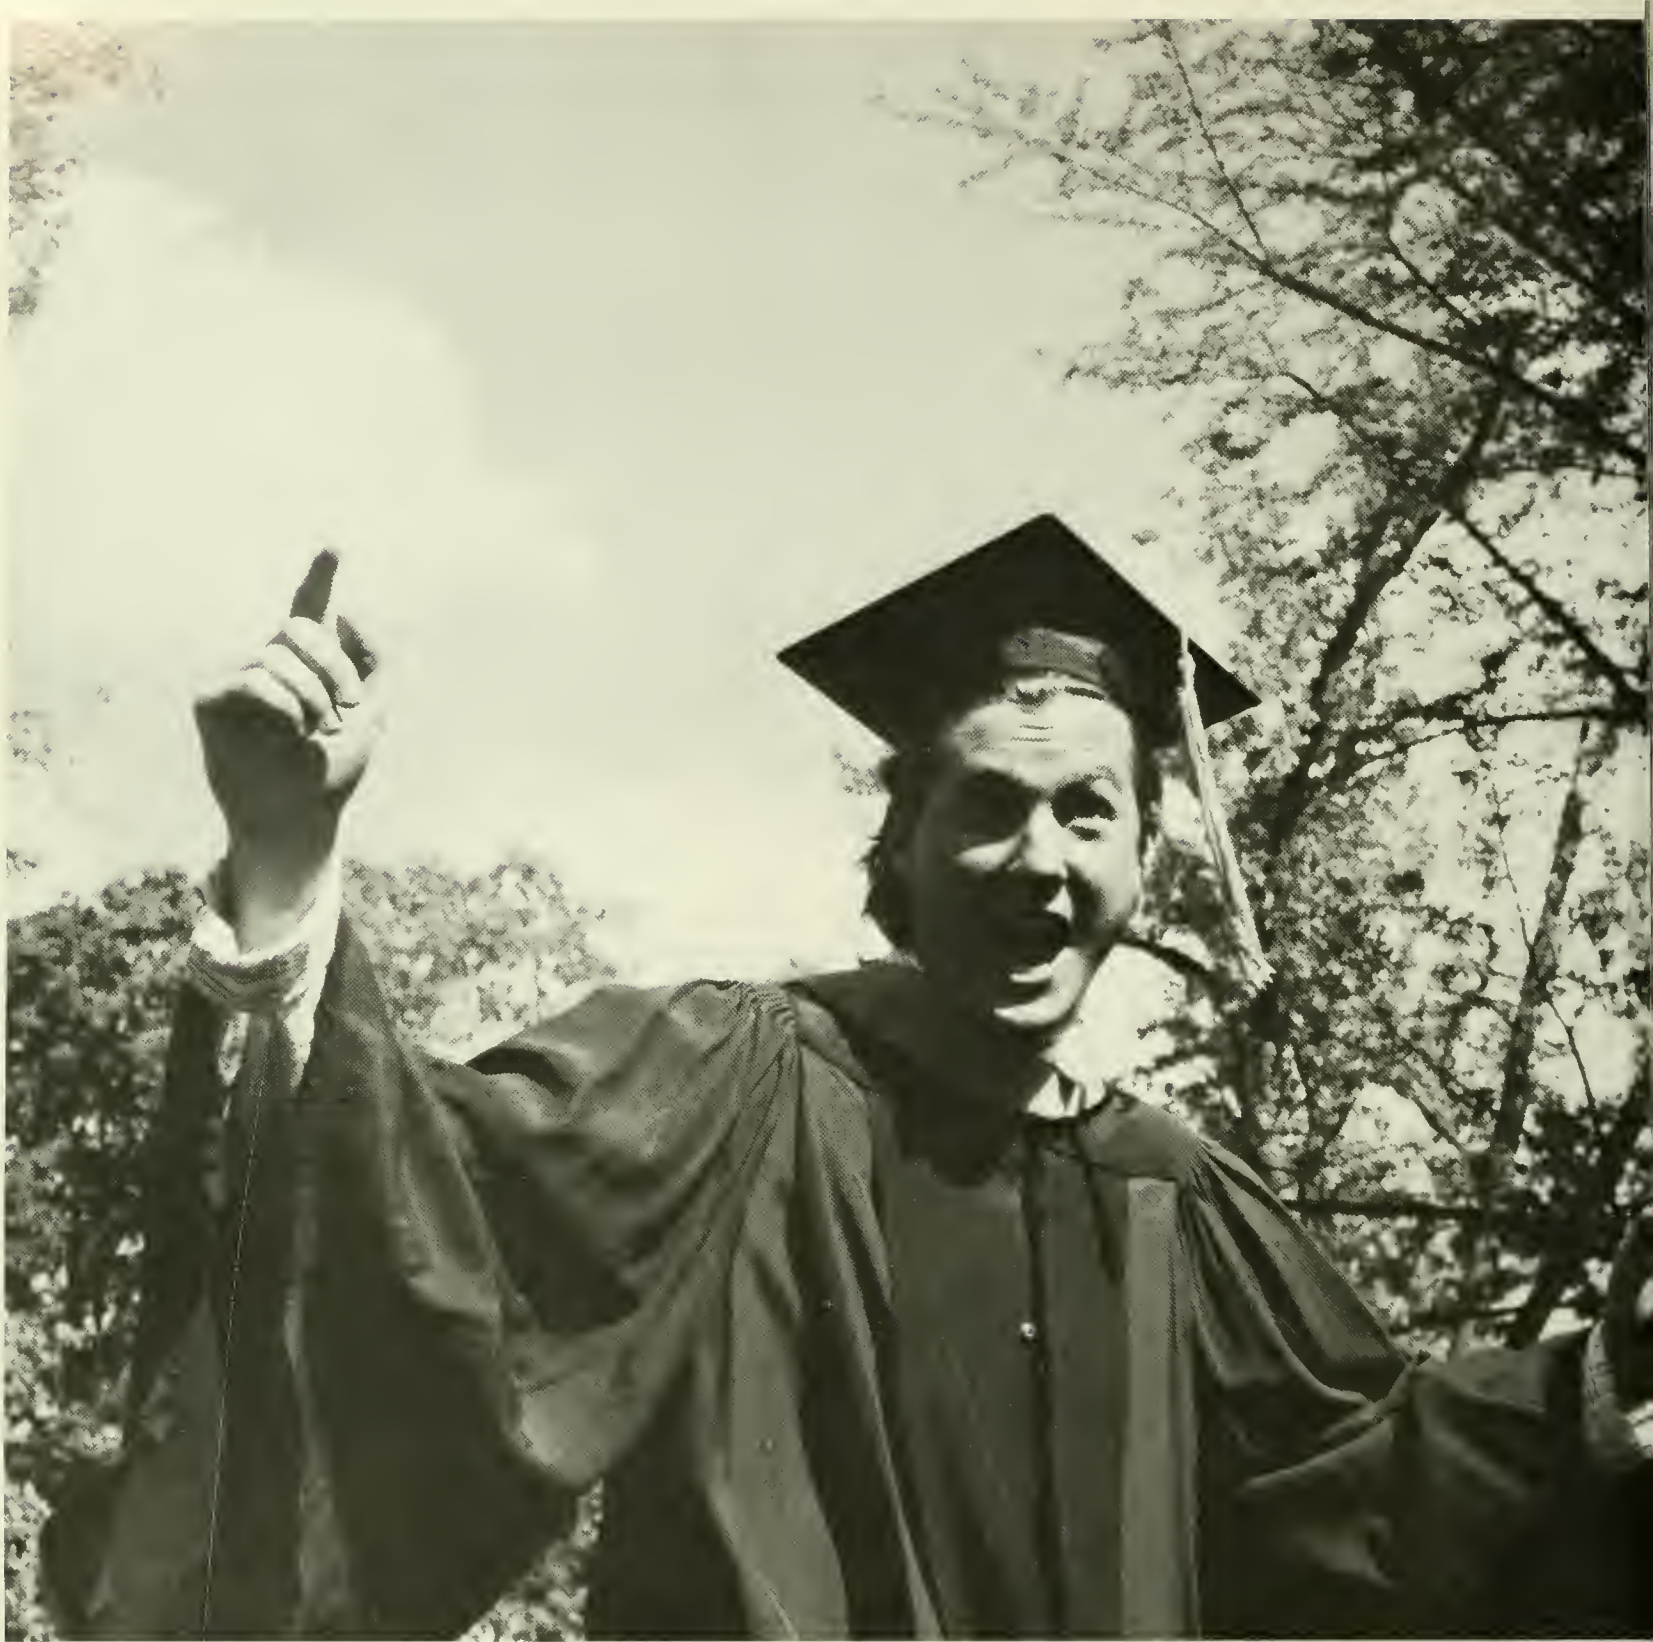

CANDIDS!!!!

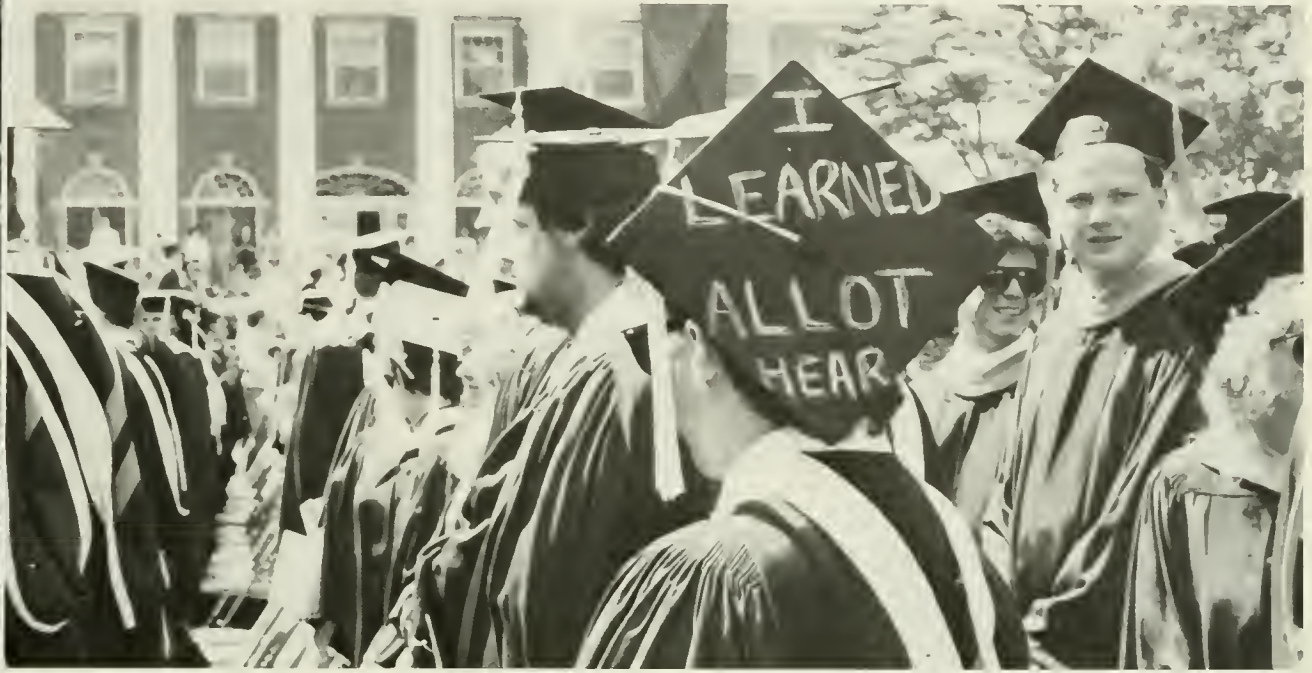

GRADUATION

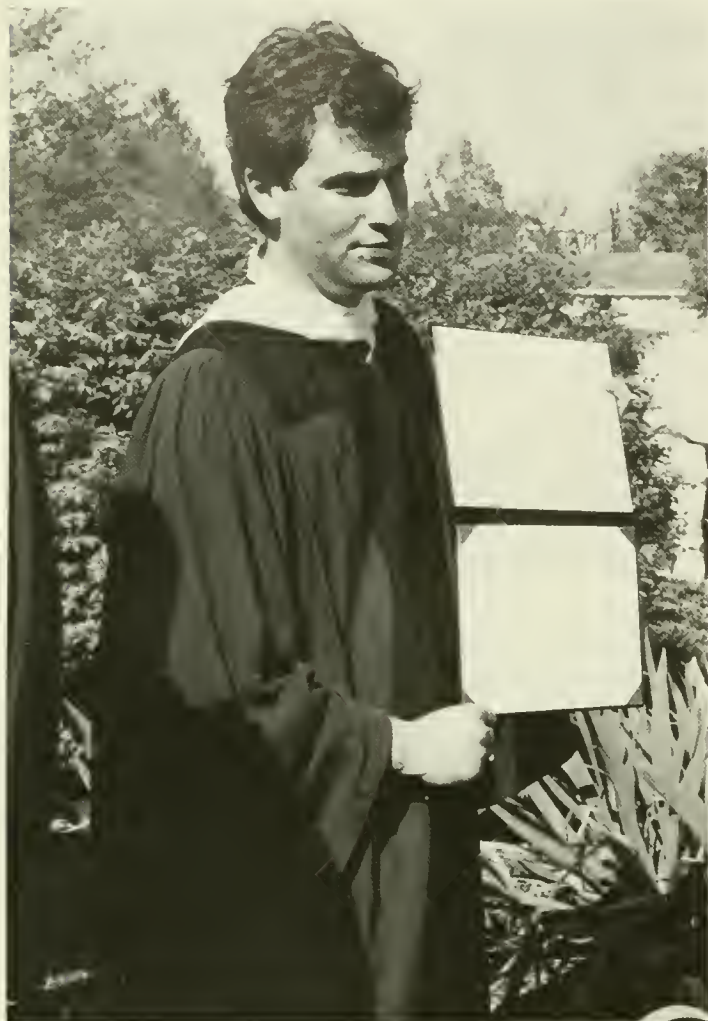

The seniors take time to say their good-byes and begin to celebrate their new lives. Their years here have come to an end. Time has finally wound down to that wonderful moment when they hold that diploma in their hands, the moment that no one will ever take away from them.

People always tell us, "Slow down, where's the fire?"
"The fire," we say, "is right here within us and it's
burning brigher than ever before! . . . " We've always
been dreamers and now it's time to make those dreams
come true . . . LOOK OUT WORLD, HERE WE COME!! —
Linda Rose Davis

"What a long strange trip it's been. The caravan has all my friends.. it will stay with me until the end."

... and now it's time to wave good-bye

The year here in the life of Susquehanna University has finally come to an end. Many people here have passed over the crosswalk greeting all those they met. A quick hello and a smile meant so much to all of us, a sort of acceptance to SU's world.

Now we all pass over the crosswalk, some for the last time. Instead of the hello's we learn a new phrase, good-bye. The slight wave of the palm again means so much that it will stay present in our minds for years to come.

That slight wave will remind us of special friendships, hard work, and a community of support and strength. It signifies change and love, happiness and sadness, and even emotions inexpressible in words. But most of all it is a reminder that we have a new life to begin although we will never forget what brought us to where we are now. Good-bye for now and good luck in your new lives.
